# OCEAN TRADE

# Introduction to Ocean Trade

Ocean Trade is a forward-thinking investment company dedicated to maximizing returns through innovative trading strategies in the forex and cryptocurrency markets. Our team of experienced traders and analysts utilizes advanced market insights and technology to navigate the complexities of trading, ensuring that both small and large investors can benefit from our expertise.

At Ocean Trade, we believe in transparency, reliability, and customer-focused service. Our investment packages are designed to accommodate various risk appetites, providing daily returns that align with our clients' financial goals. Committed to excellence, we strive to create a thriving community of investors who can confidently navigate the world of trading with our support. Join us on a journey toward financial growth and success.

# Introduction to Ocean Trade

Ocean Trade provides a comprehensive suite of services designed to empower investors and maximize returns in the dynamic trading landscape. Our key offerings include:

**1.Forex Trading:** We engage in active trading in the foreign exchange market, capitalizing on currency fluctuations to generate profits. Our strategies leverage market trends, technical analysis, and economic indicators.

**2.Cryptocurrency Trading:** Our team specializes in trading a wide range of cryptocurrencies, taking advantage of market volatility and emerging trends. We stay updated on the latest developments to optimize investment opportunities.

**3.Fund Management:** Ocean Trade offers professional fund management services, carefully crafting investment portfolios that align with individual risk profiles and financial objectives. Our experienced managers actively monitor and ~~adjust~~ strategies for optimal performance.

**4.Trading Signals and Calls:** We provide our investors with timely trading signals and recommendations based on thorough market analysis. These insights help investors make informed decisions and enhance their trading strategies.

**5.Arbitrage Trading:** Our arbitrage trading strategy involves exploiting price discrepancies across different markets, enabling us to generate risk-free profits. This approach enhances our overall profitability while managing risk effectively.

**6.Investment Packages:** We offer a range of investment packages tailored to different investor profiles. Each package comes with clear terms, daily returns, and transparent performance reporting.

**7.Risk Management:** Our commitment to protecting investors' capital includes robust risk management strategies. We employ diverse trading techniques and thorough market research to mitigate risks and ensure sustainable growth.

## Mission Statement

---

At Ocean Trade, our mission is to empower investors by providing expert trading services and innovative investment solutions in the forex and cryptocurrency markets. We are committed to transparency, integrity, and exceptional performance, ensuring that our clients achieve their financial goals while navigating the complexities of trading with confidence.

## Vision

---

Our vision is to become a leading global trading company recognized for our expertise, reliability, and client-centric approach. We aspire to build a thriving community of investors who can access the best trading strategies and tools, fostering financial growth and success for all. Through continuous innovation and a dedication to excellence, we aim to redefine the investment landscape and set new standards in the industry.

| 10000\$        | 0.6%      | 0.9%        | 1.2%               | 3X          | 7X            |
| 25000\$        | 0.6%      | 0.9%        | 1.2%               | 3X          | 7X            |
| 50000\$        | 0.6%      | 0.9%        | 1.2%               | 3X          | 7X            |
| 100000\$       | 0.6%      | 0.9%        | 1.2%               | 3X          | 7X            |
| 500000\$       | 0.6%      | 0.9%        | 1.2%               | 3X          | 7X            |

# BOOSTER INCOME

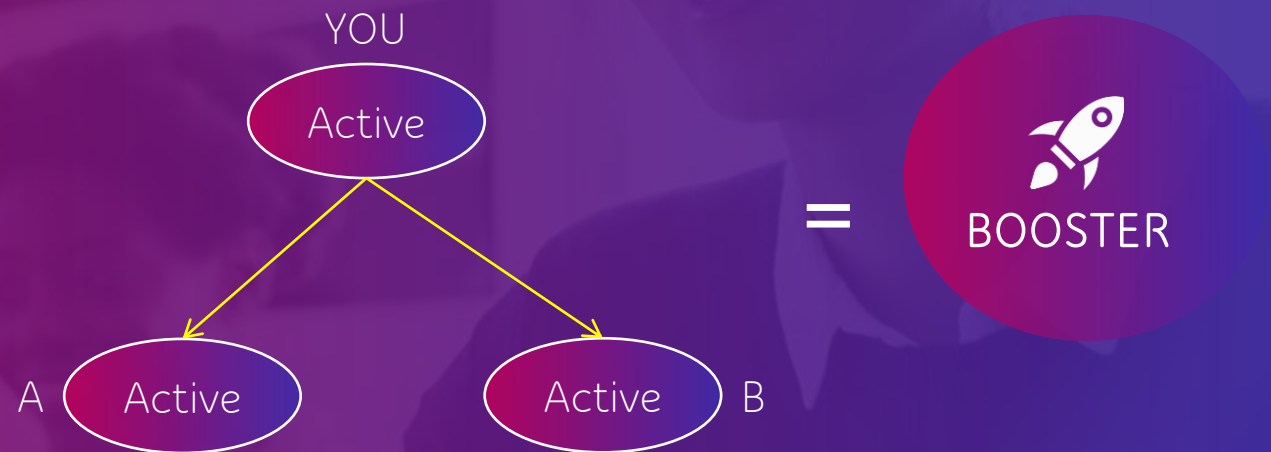

The Booster Program at Ocean Trade is designed to enhance investment returns for our clients through tailored strategies and incentives. This program aims to maximize profitability while managing risk, ensuring a more rewarding trading experience.

The Booster Program at Ocean Trade is an excellent opportunity for investors looking to amplify their returns while benefiting from expert guidance and support. Join us to take your investment journey to the next level!

## Booster Income Activation: (1.5X)

**Referral Requirement:** To activate the Booster Income, simply refer two people to join Ocean Trade. They must select either the same investment package as yours or a higher-tier package.

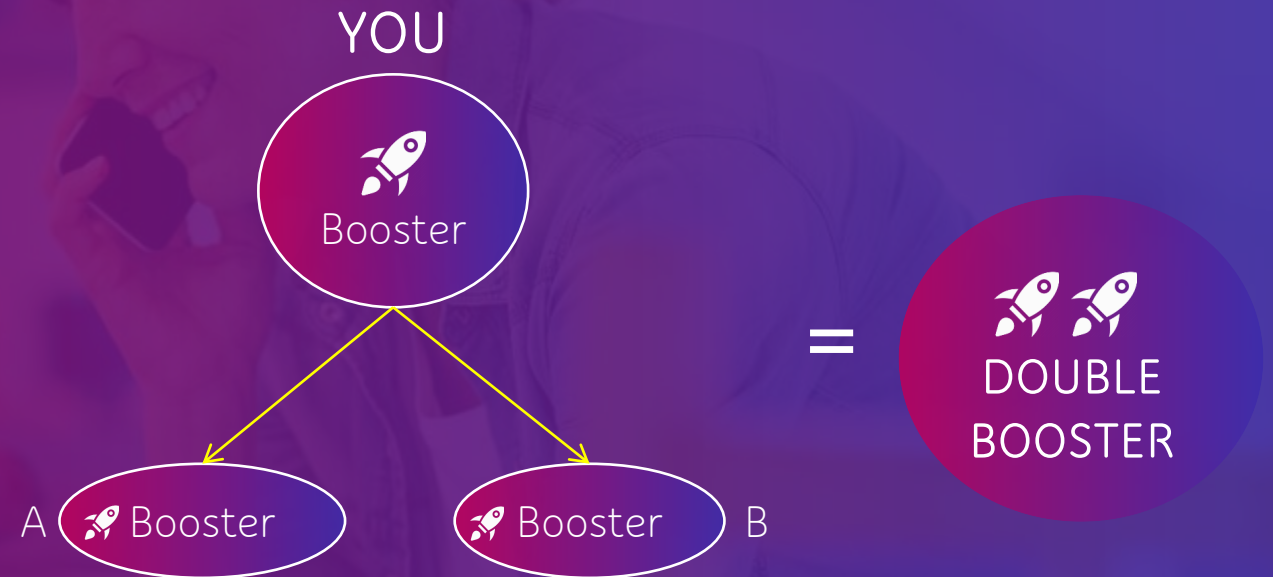

**Increased Daily ROI:** Once activated, your daily Return on Investment (ROI) is boosted to 1.5 times the standard rate. This means you can earn more from your investment, maximizing your profit potential.

## Double Booster Income Activation: (2X)

**Referral Requirement:** To activate your Double Booster Income, two individuals within your downline must successfully activate their Booster Income by referring two people each who choose the same or higher investment packages.

**Increased Daily ROI:** Once activated, your daily Return on Investment (ROI) is boosted to 2X times the standard rate. This means you can earn more from your investment, maximizing your profit potential.

Distribution of daily ROI according to level)

# LEVEL INCOME PROGRAM

Overview: The Level Income Program at Ocean Trade is designed to reward investors based on the performance of their downline team across multiple levels. With a structured system that allows for income distribution across 20 levels, this program enables you to earn a percentage of your downline's daily ROI, enhancing your overall earnings potential.

Income Distribution Structure: Each level in your downline contributes a certain percentage of their daily ROI to you. Below is the percentage distribution for each of the 20 levels:

Note: Your Each Direct Open your next 2 levels.

| LEVEL | INCOME | LEVEL | INCOME |
|-------|--------|-------|--------|
| 1     | 25%    | 11    | 1%     |
| 2     | 10%    | 12    | 1%     |
| 3     | 5%     | 13    | 1%     |
| 4     | 2%     | 14    | 1%     |
| 5     | 2%     | 15    | 1%     |
| 6     | 2%     | 16    | 1%     |
| 7     | 2%     | 17    | 1%     |
| 8     | 2%     | 18    | 3%     |
| 9     | 2%     | 19    | 4%     |
| 10    | 2%     | 20    | 5%     |

# RANK & REWARD

The Rank & Reward Income Program at Ocean Trade is designed to incentivize and reward our investors based on their engagement and investment levels. This program not only enhances earning potential but also fosters a sense of community among our investors.

| RANK          | ONE LEG BUSINESS | OTHER ALL LEG BUSINESS | REWARD   | REWARD MONEY |
|---------------|------------------|------------------------|----------|--------------|
| Bronze        | 500\$            | 500\$                  | 50\$     | Gift         |
| Executive     | 1500\$           | 1500\$                 | 100\$    | Gift         |
| Leader        | 5000\$           | 5000\$                 | 250\$    | Gift         |

# BONANZA

The Bonanza Program at Ocean Trade is an exciting initiative designed to reward our investors with exceptional bonuses and incentives. This program enhances earning potential through various engaging activities, making it a key component of your investment journey.

# TERMS & CONDITIONS

This set of terms and conditions provides a comprehensive framework for your investment programs. Feel free to adjust any specific details to better fit your company's policies!

- Participants must be at least 18 years old to invest and participate in any Ocean Trade program.
- Registration with valid identification and contact information is required.
- Investors can request withdrawals of their earnings subject to the minimum withdrawal limits and processing times specified by Ocean Trade.
- All withdrawal requests are processed in accordance with the company's policies.
- Ocean Trade reserves the right to modify these terms and conditions at any time. Participants will be notified of significant changes.
- All participant information will be kept confidential and used solely for the purposes of account management and communication.
- Ocean Trade shall not be liable for any losses or damages resulting from participation in the programs, including but not limited to market risks and external factors affecting investment performance.
- By participating in any Ocean Trade program, investors acknowledge that they have read, understood, and agree to comply with these terms and conditions.
- Bonuses and rewards are subject to specific terms for each promotion or challenge.
- Participants must meet eligibility criteria outlined for each bonus opportunity.
- A deduction of 10% will be applied to all withdrawal requests and fund transfer to another user. This fee helps support the maintenance and operational costs of the Ocean Trade platform.
- All deposits and withdrawals must be conducted in USDT (Tether) via the BEP20 blockchain. Ensure your wallet is compatible with this blockchain to facilitate smooth transactions.
- The minimum withdrawal amount is \$50. Requests below this threshold will not be processed.
- The minimum fund transfer amount for both deposits and withdrawals is \$10. Transactions below this amount will be rejected.

**THANK YOU!**
